

TeleMail

Email Enable your Application Today

TeleMail delivers your Nonstop reports and files as email to save time and increase productivity.

TeleMail extracts information from NonStop data files or Spooler jobs and makes them into email messages to be delivered to your Intranet or Internet email as soon as the data is available.

TeleMail can send data either as email message text, or as a PDF or PKZIP attachment.

Guardian-based Solution

TeleMail runs on NonStop, and requires no other external hardware or software. All its software components are built utilizing reliable NonStop fundamentals that you are already familiar with.

Reliability

TeleMail delivers email packages reliably, with log files accounting for every action and step taken.

High Performance

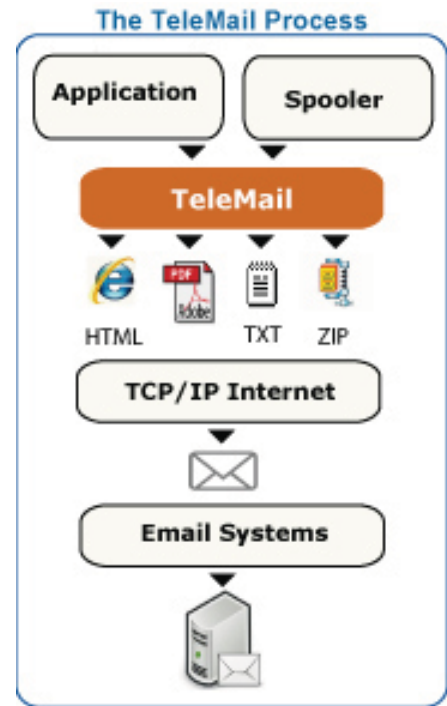

TeleMail is scalable, and enables you to configure any environment to support email message volume in the thousands.

Secure

TeleMail supports encryption using TLS 1.2 with SMTP protocol. It also provides data protection via password protection and encryption.

Proven

Customers have come to depend on TeleMail since 1996. It is a proven, reliable product that has served mission-critical applications for many large corporations.

Key Features

- Automatically generate email messages from Spooler Reports for Microsoft Exchange, Lotus Notes or other SMTP-compatible email systems
- **Supports multiple Formats**
 - .TXT : Simple message or attachment
 - .PDF : Adobe Acrobat
 - HTML: Include your company logo or graphics in your email reports.
 - ZIP: Save space and transmission time with the PKZIP compatible option
- **Extensible**
 - Application Programmatic Interface (API) available for non-spooler interface

About TIC Software

TIC Software is a leading technology product development and consulting services company. TIC draws from a rich NonStop heritage, while focusing simultaneously on future proofing solutions for our customers.

Committed to always putting the customer first, TIC acts as a trusted advisor in providing best of class products - secured through privileged partnerships and/or developed in house - as well as curated support, training, and strategic planning.

TIC continues to believe that community and education are the building blocks of the NonStop community and distinguishes itself by incorporating these tenets into each and every business approach.
